- Maintain clear and up-to-date records of contracted proposals in relation to added value and social value and report back on these;
- Diarise key dates for contract review meetings and collate internal and external reports;
- Support the development of effective working relationships between our clients and internal teams to drive growth and increase the lifetime value of frameworks we are appointed to;

- Work closely with dedicated Client Relationship Managers to develop individual Client Action Plans and measure and monitor our performance, including meeting client service requirements, through reviewing post-matter reviews and ad-hoc surveys;
- Contribute to the re-tender/renewal process by sharing knowledgeable insight.
